I. John 13:1-5 — Serving Others

A. Jesus measured greatness in terms of service, not status.

B. God determines your success and greatness by how many people you serve, not how many people serve you.

C. To be like Christ is to be a servant.

D. As you go about ministering to the world and the church, you are to go in the same spirit and attitude Jesus demonstrated to His disciples in the Upper Room, which is one of a servant.

E. Real servants maintain a low profile.

F. Servants don't promote or call attention to themselves.

G. Servants aren't trying to be somebody, they only want to help somebody.

H. Self-promotion and servanthood don't mix.

I. The smallest service is noticed by God and will be rewarded.

J. Genuine servants base their identity in Christ.

K. The closer you get to Jesus, the less you need to promote yourself.

L. When we stop focusing on our own needs, we become aware of the needs of others.

M. We must look at serving as an opportunity not an obligation.

N. If you follow the leader (Jesus), the Father will honor you.
